The municipal gallery of Los Palacios was inaugurated in 1980. Its objective is to promote and promote the artistic talent of the territory, managing to exhibit in its room an acceptable program of exhibitions of relevant artists both provincial and national, consists of an exhibition hall 6 workers and maintains the category of 2nd.

Other spaces such as the ISCED Lobby (DPC) and the PNR Room (PNR) Popular Councils and schools have a stable programme attended by the Gallery in the municipality, which has an adequate technical-constructive state. The gallery serves 21 artists. It also has 1 project of appreciation and creation, which mixes the visual arts with literature and performing arts and also creates a space for dialogue, monthly, with the artists in each sample. It has characterized spaces and an intentional varied programming for all age groups.
