The best tobacco is harvested in the Vueltabajo, between Río Hondo and Cuyaguaje, especially that obtained from the vegas of San Juan y Martínez, San Luis, Pinar del Río and Guane. Among the places famous for the quality of their tobacco is the Hoyo de Monterrey, at the entrance of the town of San Juan y Martínez, Vegas Robaina, located on the farm El Pinar, in the area of Barbacoa, municipality San Luis, as an example of exclusivity that keep our cigars, to be harvested here, the highest quality layer of our country.

The vega Quemado del Rubí, by the renowned Habano Man Héctor Luis Prieto, shows a farm made up of the veguero house, a tobacco house and plots of land dedicated to cultivation. All this complemented with agro-tourism services: family restaurant, traditional cuisine, dormitory cabin, rancho varaentierra, humidor and cowhouse, as part of the authentic and emblematic tourist product La Ruta del Tabaco.
