Description of the procedure: The holder of a Foreign National License may convert to a National Driving License, provided that they belong to the countries that correspond to the Agreement of Vienna, after the term of 6 months staying in our country. The holder must be at least 18 years old.

Documents to present: You will request to the Consulate through the authenticity certificate, the clarification of the vehicle authorized to drive in your country, the category stated in the document, Identity Card and Passport, Stamp of 30 pesos, two photos without hat or cap, if you used glasses, you will have to be portrayed with the same ones. Present a photocopy of your driver's license.

Note: The Foreign Driver's License, whose text is in a language other than Spanish, must be translated into Spanish in order to carry out the conversion.
