The Registration in the Consumers Registry Unit can be processed by any consumer, whether or not he or she is a member of the nucleus. By means of this procedure, a consumer is registered in the notebook for food products.

Documents to present for registration to consumers

Identity card of the person appearing.

Child's card updated by the mother's address.

Notebook for Food Products.

In all cases of birth the child will be registered in the Food products notebook where the mother is registered.

Registration of people coming from abroad.

If it is a child born abroad of Cuban parents or of Cuban and foreign parents, the minor's card will be presented, to be considered a Cuban citizen.

If the child is a consumer of Cuban nationality and has been sent abroad by an organization, he or she shall present an identity card updated by the address where is going to live.

In case it has been sent by an Organization, it will present an Identity Card updated by the address where is going to live.

Form No. 6 of the Deletion from the Office where you left before leaving the country, if you have it.

Food products notebook of the nucleus where is going to live.

People come out of penitentiary centers, hospitals or ascilos.

Identity card of the interested person

Identity card of the person who is going to take part of the nuclear family with updating house address.

Document of the Hospital, Asylum.

Food Products notebook of the nuclear family where you will live.

Form No. 6 of Admission from the OFICODA Office.

Family doctors and nurses.

Identity card of the interested person.

Identity card of the person who is going to take part of the nuclear family with updating house address.

Document issued by the Municipal Public Health Office duly signed and minted.

Stamp of \$5.00.

Form No. 6 of Deletion of the Office where it comes from
